

Fragile Palm Leaves

MS ID 2847

Room 3A

visuddhimag

[illegible]

[illegible]

434, 12

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage, possibly a letter or a record, with some lines showing signs of fading or wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, continuing from the top section. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage, possibly a letter or a record, with some lines showing signs of fading or wear. The script is dense and fills most of the page.

ကလေးတို့သည် နေ့စဉ် အသုံးပြုသော စာများကို ရှိအားရှိစွာ ပြန်လည်
ဖော်ပြပါ။

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the top of the page. It appears to be a list or a series of entries, possibly related to a historical event or a collection of items. The script is dense and difficult to decipher without specialized knowledge of the language.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the bottom of the page. It appears to be a list or a series of entries, possibly related to a historical event or a collection of items. The script is dense and difficult to decipher without specialized knowledge of the language.

[illegible]

62

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top section of the image. It appears to be a continuous passage of text, possibly a letter or a record, with some lines being more prominent than others. The script is dense and fills most of the upper half of the image.

Handwritten text in Burmese script, continuing from the top section. This section also contains several lines of text, with some lines being more prominent than others. The script is consistent with the top section, suggesting it is part of the same document. The text is written in a cursive style and spans across the bottom section of the image. It appears to be a continuous passage of text, possibly a letter or a record, with some lines being more prominent than others. The script is dense and fills most of the lower half of the image.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the top of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European handwriting. There are two large, dark, circular marks or holes visible on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the bottom of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European handwriting. There are two large, dark, circular marks or holes visible on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the top half of the image. The text is arranged in several lines and appears to be a continuation of a document. There are two distinct circular holes visible in the paper, suggesting it was once part of a bound volume. The ink is dark and the paper shows signs of age and wear.

Handwritten text in a cursive script, likely Persian or Arabic, spanning the bottom half of the image. This section continues the text from the top half, with similar line spacing and script style. It also features two circular holes, maintaining the appearance of a single document spread across two pages. The handwriting is fluid and characteristic of historical Islamic manuscripts.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the top of the page. The script is dense and difficult to decipher, but appears to be a form of historical writing. There are two large, dark, circular marks or holes visible on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the bottom of the page. The script is dense and difficult to decipher, but appears to be a form of historical writing. There are two large, dark, circular marks or holes visible on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely Burmese, spanning the top strip. The text is written in dark ink on aged, slightly discolored paper. There are two distinct circular holes punched through the strip, one near the left edge and one near the right edge. The script is dense and flows across the width of the strip.

Handwritten text in a cursive script, likely Burmese, spanning the bottom strip. The text is written in dark ink on aged, slightly discolored paper. There are two distinct circular holes punched through the strip, one near the left edge and one near the right edge. The script is dense and flows across the width of the strip.

Handwritten text in a script, likely Burmese, on a long, narrow strip of paper. The text is arranged in several lines, with some characters appearing to be in a different script or dialect. The paper shows signs of aging and wear, including two distinct circular holes.

Handwritten text in a script, likely Burmese, on a long, narrow strip of paper. The text is arranged in several lines, with some characters appearing to be in a different script or dialect. The paper shows signs of aging and wear, including two distinct circular holes.

[illegible]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some words appearing to be in a different script or dialect. The handwriting is dense and somewhat difficult to decipher.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some words appearing to be in a different script or dialect. The handwriting is dense and somewhat difficult to decipher.

Page 1

Handwritten text in Burmese script, consisting of several lines of cursive writing. The text is written on aged, slightly discolored paper. There are two small dark spots on the page, one near the center and one towards the right edge.

Handwritten text in Burmese script, continuing from the previous page. The text is written on aged, slightly discolored paper. There are two small dark spots on the page, one near the center and one towards the right edge.

Handwritten text in Arabic script, likely a historical document or manuscript. The text is written in a cursive style and is organized into several lines. There are two prominent circular holes or indentations on the left side of the page, suggesting it was once bound or folded. The paper appears aged and slightly discolored.

Handwritten text in Arabic script, continuing from the top page. The text is written in a cursive style and is organized into several lines. There are two prominent circular holes or indentations on the left side of the page, suggesting it was once bound or folded. The paper appears aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. There are two large circular holes visible, suggesting the document was once bound or had been damaged. The script is dense and fills most of the page.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. There are two large circular holes visible, suggesting the document was once bound or had been damaged. The script is dense and fills most of the page.

1891

అంతా అంతా

1847

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the upper portion of the strip. There are two circular holes visible, suggesting it was once part of a bound volume. The script is dense and fills most of the upper half of the strip.

Handwritten text in Burmese script, continuing from the upper strip. The text is written in a cursive style and covers the lower portion of the strip. There are two circular holes visible, suggesting it was once part of a bound volume. The script is dense and fills most of the lower half of the strip.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a long, narrow strip of paper, possibly a leaf from a book or a scroll. The script is dense and fills most of the strip. There are two small circular holes visible, suggesting it was once bound or used as a bookmark.

Handwritten text in a cursive script, similar to the one above. This strip also contains dense handwriting. A prominent phrase in the center, written in a slightly larger and bolder hand, reads "မြို့တော်ကြီး" (Myi Thaw Khee), which translates to "Great City" or "Capital City" in Burmese. There are two small circular holes visible, similar to the top strip.

21

[illegible]

Handwritten text on a long, narrow strip of paper, likely a page from a manuscript. The text is written in a cursive script and is mostly illegible due to fading and the angle of the strip. There are two small dark spots visible on the strip.

Handwritten text on a long, narrow strip of paper, likely a page from a manuscript. The text is written in a cursive script and is mostly illegible due to fading and the angle of the strip. There are two small dark spots visible on the strip.

[illegible]

ရွှေသာယာသောအိမ်

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single strip of paper, showing signs of age and wear. The script is dense and fills most of the strip.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single strip of paper, showing signs of age and wear. The script is dense and fills most of the strip.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the top of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are two large, dark, circular marks or holes visible on the page, one near the center and one towards the right edge.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the bottom of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are two large, dark, circular marks or holes visible on the page, one near the center and one towards the right edge.

Handwritten text in Burmese script, consisting of approximately 10 lines of dense, cursive writing. The script is dark and fills most of the upper half of the page.

Handwritten text in Burmese script, consisting of approximately 10 lines of dense, cursive writing. The script is dark and fills most of the lower half of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, yellowish paper. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, yellowish paper. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, yellowish paper. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, yellowish paper. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, yellowish paper. The script is dense and fills most of the page.

ပုံစံသောပ
သောကံလျက်

သောကံလျက်

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper, which is slightly aged and shows some wear. The handwriting is dense and fills most of the page. There are two small, dark circular marks on the paper, possibly holes or ink spots.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper, which is slightly aged and shows some wear. The handwriting is dense and fills most of the page. There are two small, dark circular marks on the paper, possibly holes or ink spots.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. The script is dense and fills most of the page.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or a list of items, with some lines starting with capital letters. The script is dense and fills most of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top of the page. It appears to be a continuous narrative or record, possibly related to a royal decree or a historical event. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, continuing from the top section. This section also contains dense, cursive writing, likely a continuation of the same document. The text is organized into several lines, with some variations in line length. The script is consistent with the top section, suggesting it is part of the same document. The bottom of the page shows some signs of wear and fading.

(0732

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and appears to be a list or record of items, possibly related to a library or collection. The document is aged and shows signs of wear, including discoloration and some damage to the paper.

၂၀၂၀ ခုနှစ်၊ ဇူလိုင်လ၊ ၁၀ ရက်

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, yellowed paper. There are two large circular holes punched through the paper, one near the center and one towards the right. The handwriting is dense and fills most of the page.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, yellowed paper. There are two large circular holes punched through the paper, one near the center and one towards the right. The handwriting is dense and fills most of the page.

(29)

1. *Handwritten text in a cursive script, likely a list or index, covering the top half of the page. The text is dense and difficult to decipher due to the handwriting.*
 2. *Handwritten text in a cursive script, likely a list or index, covering the bottom half of the page. The text is dense and difficult to decipher due to the handwriting.*

Handwritten text in Burmese script, spanning the top strip. The text is arranged in several lines, with some characters appearing to be in a different script or dialect. There are two small circular marks on the strip.

Handwritten text in Burmese script, spanning the bottom strip. The text is arranged in several lines, with some characters appearing to be in a different script or dialect. There are two small circular marks on the strip.

Handwritten text in the top left of the first strip.

Handwritten text in the top right of the first strip.

Handwritten text in the bottom left of the second strip.

Handwritten text in the bottom center of the second strip.

Handwritten text in the bottom center of the second strip.

Handwritten text in the bottom right of the second strip.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and is organized into several lines across the top of the page. There are two distinct sections of text, separated by a small gap. The right section appears to be a continuation or a separate entry. The text is written on aged, slightly discolored paper.

Handwritten text in Burmese script, continuing from the top section. The text is written in a cursive style and is organized into several lines across the bottom of the page. There are two distinct sections of text, separated by a small gap. The right section appears to be a continuation or a separate entry. The text is written on aged, slightly discolored paper.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the upper portion of the page. It appears to be a continuous passage of text, possibly a letter or a record.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the lower portion of the page. It appears to be a continuation of the text from the upper portion, possibly a letter or a record.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top section of the image. The script is dense and covers most of the width of the top strip.

Handwritten text in Burmese script, possibly a signature or a specific date/period, located in the center-right of the top section.

Handwritten text in Burmese script, continuing from the top section. The text is written in a cursive style and spans across the bottom section of the image. The script is dense and covers most of the width of the bottom strip.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions, both incoming and outgoing, to ensure transparency and accountability. It emphasizes the need for regular audits and the use of standardized accounting practices.

2. The second part outlines the various methods used to collect and analyze financial data, including direct observation, interviews, and the use of statistical models. It highlights the challenges associated with data collection, such as ensuring the reliability and validity of the information gathered.

3. The third section focuses on the interpretation of the collected data, discussing how it can be used to identify trends, patterns, and potential areas for improvement. It stresses the importance of contextualizing the findings within the broader organizational or societal framework.

4. Finally, the document concludes by summarizing the key findings and recommendations, emphasizing the ongoing nature of the research process and the need for continued monitoring and evaluation.

[illegible]

15

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or being written over. There are two prominent dark circular marks, possibly holes or ink blots, on the right side of the page.

175

Handwritten text in a cursive script, likely a historical document or letter. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two distinct circular holes punched through the paper, one near the center and one towards the right edge. The text appears to be in a European language, possibly German or French, given the style of the script and the use of certain characters like 'W' and 'V'.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two distinct circular holes punched through the paper, one near the center and one towards the right edge. The text appears to be in a European language, possibly German or French, given the style of the script and the use of certain characters like 'W' and 'V'.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the top of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are two distinct circular marks or holes visible in the paper, suggesting it was once part of a bound volume or a document with a specific binding structure.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the bottom of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are two distinct circular marks or holes visible in the paper, suggesting it was once part of a bound volume or a document with a specific binding structure.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document. The text is written on a single line across the top of the page. There are two circular holes visible in the paper, suggesting it was once part of a bound volume. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive.

Handwritten text in a cursive script, likely a historical document. The text is written on a single line across the bottom of the page. There are two circular holes visible in the paper, suggesting it was once part of a bound volume. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage of text, possibly a letter or a record, with some lines being more densely written than others. The script is characteristic of early modern European handwriting.

Handwritten text, possibly a signature or a date, located in the lower right section of the document.

Handwritten text, possibly a signature or a date, located in the lower right section of the document.

Handwritten text, possibly a signature or a date, located in the lower right section of the document.

Handwritten text in Burmese script, consisting of approximately 10 lines of cursive script. The text is written on a single strip of paper with two punch holes. The script is dense and fills most of the strip.

Handwritten text in Burmese script, consisting of approximately 10 lines of cursive script. The text is written on a single strip of paper with two punch holes. The script is dense and fills most of the strip.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the upper portion of the page.

ဘား၊ ဇွန်လလုပ်
ပခုက္ကူ
ကလေး

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the lower portion of the page.

ကလေးလုပ်ကိုင်
ကလေးလုပ်ကိုင်

ကလေးလုပ်ကိုင်

Handwritten text at the top of the first strip, possibly a title or header.

Main body of handwritten text on the first strip, consisting of several lines of script.

Handwritten text at the top of the second strip, possibly a title or header.

Main body of handwritten text on the second strip, consisting of several lines of script.

Handwritten text in a cursive script, likely Burmese, spanning the top half of the image. The text is written on a light-colored, aged paper strip. There are two distinct dark circular marks, possibly holes or ink blots, visible on the strip.

Handwritten text in a cursive script, likely Burmese, spanning the bottom half of the image. The text is written on a light-colored, aged paper strip. There are two distinct dark circular marks, possibly holes or ink blots, visible on the strip. The text is more sparse and less legible than the top strip.

Handwritten text in Burmese script, likely a list or inventory.

Handwritten text in Burmese script, possibly a title or section header.

Handwritten text in Burmese script, possibly a date or reference.

Handwritten text in Burmese script, possibly a date or reference.

Handwritten text in Burmese script, likely a list or inventory.

Handwritten text in Burmese script, likely a list or inventory.

Handwritten text in Burmese script, likely a list or inventory.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and is densely packed across the top half of the page. There are two prominent circular holes visible in the paper, suggesting it was once part of a bound volume. The ink is dark, and the paper shows signs of age and wear.

Handwritten text in Burmese script, continuing from the top section. The text is more sparse and less dense than the upper portion, with significant areas of the page appearing blank or heavily faded. The script remains consistent with the top section, indicating it is part of the same document. The paper shows signs of age and wear, with some dark staining visible on the left edge.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a textured appearance with numerous small, dark brown spots scattered across its surface, characteristic of foxing. Two prominent, dark circular marks are visible near the center of the page. The left edge of the page shows the binding of the book, and the overall color is a warm, off-white or light beige.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, which is slightly aged and shows some staining. The script is dense and fills most of the page. There are two distinct circular holes punched through the paper, one near the left edge and one near the right edge. The text appears to be in a historical language, possibly a form of Arabic or Persian, given the style of the script and the use of certain characters like 'Allah' and 'Muhammad'.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, which is slightly aged and shows some staining. The script is dense and fills most of the page. There are two distinct circular holes punched through the paper, one near the left edge and one near the right edge. The text appears to be in a historical language, possibly a form of Arabic or Persian, given the style of the script and the use of certain characters like 'Allah' and 'Muhammad'.

Handwritten text in Burmese script, consisting of approximately 10 lines. The text is written in a cursive style and is mostly illegible due to fading and the angle of the script. There are two distinct circular holes visible in the paper, suggesting it was once part of a bound volume or a folder.

တော့ပုံပုံပုံပုံပုံပုံ
တော့ပုံပုံပုံပုံပုံပုံ

တော့ပုံပုံ

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a long, narrow strip of paper, possibly a leaf from a manuscript. The script is dense and fills most of the strip. There are two small circular holes visible on the strip, suggesting it was once part of a bound volume or a chain of leaves. The paper is aged and shows some staining and wear.

Handwritten text in a cursive script, continuing from the top strip. The text is written on a long, narrow strip of paper, possibly a leaf from a manuscript. The script is dense and fills most of the strip. There are two small circular holes visible on the strip, suggesting it was once part of a bound volume or a chain of leaves. The paper is aged and shows some staining and wear.

Handwritten text in Burmese script, consisting of approximately 10 lines of dense, cursive writing. The ink is dark and the paper is aged and slightly discolored.

Handwritten text in Burmese script, consisting of approximately 10 lines of dense, cursive writing. The ink is dark and the paper is aged and slightly discolored.

သိက္ခာကံပယ်သွတ်
ရက်စွဲ
သက္ကရာဇ်

Handwritten text in Burmese script, consisting of approximately 10 lines of dense, cursive writing. The ink is dark and the paper is aged and slightly discolored.

Handwritten text in Burmese script, spanning the top half of the page. The text is written in a cursive style and appears to be a continuous passage. There are two dark circular marks, possibly holes or ink smudges, visible on the left and right sides of the text block.

Handwritten text in Burmese script, spanning the bottom half of the page. The text is written in a cursive style and appears to be a continuous passage. There are two dark circular marks, possibly holes or ink smudges, visible on the left and right sides of the text block.

Handwritten text in Burmese script, located in the upper right corner of the bottom half of the page. It appears to be a separate note or a signature.

Handwritten text in Burmese script, located in the center of the bottom half of the page. It appears to be a separate note or a signature.

[Faint handwritten text, possibly bleed-through from the reverse side.]

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top section of the image. It appears to be a continuous passage of text, possibly a letter or a record, with some lines being more legible than others due to fading and the angle of the script.

Handwritten text in Burmese script, continuing from the top section. This section contains several lines of text, some of which are more clearly legible than others. The script is consistent with the top section, suggesting it is part of the same document. The text is written in a cursive style and spans across the bottom section of the image.

Handwritten text in a cursive script, possibly a list or a short narrative, located on the upper left portion of the top strip.

Main body of handwritten text on the top strip, continuing from the left or as a separate section, written in a cursive script.

Main body of handwritten text on the bottom strip, continuing from the top or as a separate section, written in a cursive script.

Handwritten text in Burmese script, consisting of approximately 10 lines of dense cursive writing. The ink is dark and the paper is aged and slightly discolored. There are two small dark circular marks on the left side of the text block.

Handwritten text in Burmese script, continuing from the top strip. It consists of approximately 10 lines of dense cursive writing. The ink is dark and the paper is aged and slightly discolored. There are two small dark circular marks on the left side of the text block. A small horizontal line is visible near the bottom right of the text block.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top section of the page. It appears to be a continuous passage of text, possibly a letter or a record, with some lines being more legible than others due to fading or the angle of the script.

Handwritten text in Burmese script, continuing from the top section. This section contains several lines of text, some of which are more clearly legible than others. The script is consistent with the top section, suggesting it is part of the same document. The text is written in a cursive style and spans across the bottom section of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, possibly related to a legal or administrative matter. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, possibly related to a legal or administrative matter. The script is dense and fills most of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the upper portion of the page. It appears to be a continuous narrative or record, possibly related to a royal decree or a historical event. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, continuing from the upper portion. The text is written in a cursive style and covers the lower portion of the page. It appears to be a continuation of the narrative or record, possibly related to a royal decree or a historical event. The script is dense and fills most of the lower half of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the top of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are several large, dark ink blotches or stains visible on the page, particularly in the center and towards the right side.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the bottom of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are several large, dark ink blotches or stains visible on the page, particularly in the center and towards the right side.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and is organized into several lines. The document appears to be a page from a larger work, as evidenced by the binding holes on the left and right sides.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and is organized into several lines. The document appears to be a page from a larger work, as evidenced by the binding holes on the left and right sides.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top section of the image. It appears to be a continuous passage of text, possibly a letter or a record.

Handwritten text in Burmese script, continuing from the top section. The text is written in a cursive style and spans across the bottom section of the image. It appears to be a continuous passage of text, possibly a letter or a record.

Handwritten Burmese text on a palm leaf manuscript. The script is in a traditional style, with characters closely spaced. The text is arranged in several lines across the length of the leaf. There are two circular holes visible, which were traditionally used for threading a cord to bind multiple leaves together into a book format.

ကောလိဝပာလက္ခဏာဝိသုဒ္ဓိပုဒ်

Handwritten Burmese text on a palm leaf manuscript, continuing from the top leaf. The script is consistent with the top leaf. The text is arranged in several lines across the length of the leaf. There are two circular holes visible, which were traditionally used for threading a cord to bind multiple leaves together into a book format.

Handwritten text in Burmese script, consisting of approximately 10 lines of dense, cursive writing. The script is dark and fills most of the page area.

Handwritten text in Burmese script, consisting of approximately 10 lines of dense, cursive writing. The script is dark and fills most of the page area.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the upper portion of the page. It appears to be a continuous narrative or record, possibly related to a royal decree or a historical event. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, continuing from the upper portion. This section contains several lines of text, some of which are more legible than others due to the cursive nature of the script. It appears to be a continuation of the same document or a related one, possibly detailing further events or decrees. The text is written in a consistent style throughout the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some words appearing to be in a different script or dialect. The handwriting is dense and somewhat difficult to decipher.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some words appearing to be in a different script or dialect. The handwriting is dense and somewhat difficult to decipher.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, yellowed paper. It appears to be a continuous passage, possibly a letter or a record, with some lines being more legible than others due to fading and the angle of the writing.

Handwritten text in a cursive script, likely a historical document or manuscript. This section appears to be a continuation or a separate entry, written in a similar style to the text above.

Handwritten text in a cursive script, likely a historical document or manuscript. This section appears to be a continuation or a separate entry, written in a similar style to the text above.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the top of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European handwriting. There are two distinct circular marks or holes visible on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the bottom of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European handwriting. There are two distinct circular marks or holes visible on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two punch holes visible. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two punch holes visible. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top of the page. There are two distinct sections of text, separated by a small gap. The right section begins with a large, bold character that appears to be 'သ' (Da).

Handwritten text in Burmese script, continuing from the top page. The text is written in a cursive style and spans across the bottom of the page. There are two distinct sections of text, separated by a small gap. The right section begins with a large, bold character that appears to be 'သ' (Da).

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. There are two large, dark circular marks, possibly holes or ink blots, visible in the center of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page. There are two large, dark circular marks, possibly holes or ink blots, visible in the center of the page.

Handwritten text in a script, likely Burmese, covering the top strip of the manuscript. The text is written in dark ink on aged, yellowish paper. There are two distinct circular holes visible in the strip, suggesting it was once part of a bound volume. The script is dense and fills most of the strip's width.

Handwritten text in a script, likely Burmese, covering the bottom strip of the manuscript. The text is written in dark ink on aged, yellowish paper. There are two distinct circular holes visible in the strip, suggesting it was once part of a bound volume. The script is dense and fills most of the strip's width. In the lower right corner, there is a small, more legible section of text that appears to be a signature or a date, possibly reading "၁၈၈၈ ခုနှစ်" (1888 AD).

Handwritten text in a cursive script, likely a letter or document, spanning the width of the page. The text is written on aged, slightly discolored paper.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the upper portion of the page. It appears to be a list or a series of entries, possibly related to a historical record or a collection of items. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the lower portion of the page. It appears to be a list or a series of entries, possibly related to a historical record or a collection of items. The script is dense and fills most of the lower half of the page.

အဘိုးအဘိုး
အဘိုးအဘိုး

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten Burmese text on a palm leaf manuscript strip. The script is in a traditional style, with characters closely spaced. There are two circular holes visible, used for threading a cord to bind multiple leaves together. The text appears to be a continuous passage, possibly a narrative or a list of items.

Handwritten Burmese text on a second palm leaf manuscript strip. The script is consistent with the first strip. A circular hole is visible on the left side. The text continues the narrative or list from the first strip. The right edge of the strip shows some wear and a small mark.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and is spread across the top half of the page. It appears to be a list or a series of entries, possibly related to a historical record or a collection of items.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and is spread across the bottom half of the page. It appears to be a list or a series of entries, possibly related to a historical record or a collection of items.

1883

၇

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten Burmese text on a long, narrow strip of paper. The script is in a traditional style, likely from the 19th or early 20th century. The text is arranged in several lines, with some characters appearing to be in a different script or dialect. There are two small circular holes visible on the strip, suggesting it was once part of a bound volume or a scroll.

Handwritten Burmese text on a second long, narrow strip of paper. The script is consistent with the first strip. The text is arranged in several lines, with some characters appearing to be in a different script or dialect. There are two small circular holes visible on the strip, suggesting it was once part of a bound volume or a scroll.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and is organized into several lines across the top half of the page. There are two distinct circular holes visible in the paper, suggesting it was once part of a bound volume or a document with a specific binding method.

Handwritten text in Burmese script, continuing from the top half. The text is written in a cursive style and is organized into several lines across the bottom half of the page. There are two distinct circular holes visible in the paper, suggesting it was once part of a bound volume or a document with a specific binding method.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top section of the page. It appears to be a continuous narrative or record, possibly related to a specific event or person. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, continuing from the top section. The text is written in a cursive style and spans across the bottom section of the page. It appears to be a continuation of the narrative or record from the top section. The script is dense and fills most of the lower half of the page.

တရားရုံးချုပ်

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the upper portion of the page. It appears to be a continuous narrative or record, possibly related to a specific event or person. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the lower portion of the page. It appears to be a continuation of the narrative or record from the upper section, possibly detailing further events or conclusions. The script is dense and fills most of the lower half of the page.

Handwritten text in a cursive script, likely Burmese, spanning the top strip of the manuscript. The text is densely written and covers most of the strip's width.

Handwritten text in a cursive script, likely Burmese, spanning the bottom strip of the manuscript. The text is densely written and covers most of the strip's width. At the bottom center, there is a line of text that appears to be a signature or a date: ပုဂံစာပေတိုက်, ၁၉၃၅ ခုနှစ်

Handwritten text in Burmese script, consisting of approximately 10 lines of dense, cursive writing. The ink is dark and the paper is aged and slightly discolored.

Handwritten text in Burmese script, consisting of approximately 10 lines of dense, cursive writing. The ink is dark and the paper is aged and slightly discolored.

နက္ခတ်ဗေဒ
သိပ္ပံပညာရှင်

Handwritten text in a cursive script, likely a letter or document, spanning the top half of the image. The text is written on aged, yellowed paper with two visible holes for binding.

Handwritten text in a cursive script, likely a signature or a specific line of text, located in the middle of the image.

Handwritten text in a cursive script, likely a letter or document, spanning the bottom half of the image. The text is written on aged, yellowed paper with two visible holes for binding.

Handwritten text in a cursive script, likely a historical document or letter. The text is written in a dark ink on a light-colored, aged paper. The script is dense and fills most of the page. There are two distinct circular holes or indentations on the left side of the page, suggesting it was once part of a bound volume or a document with a specific binding style. The text is written in a cursive script, likely a historical document or letter. The text is dense and fills most of the page. There are two distinct circular holes or indentations on the left side of the page, suggesting it was once part of a bound volume or a document with a specific binding style.

Handwritten text, possibly a signature or a date, located in the center of the page.

Handwritten text, possibly a signature or a date, located on the left side of the page.

Handwritten text, possibly a signature or a date, located on the right side of the page.

Handwritten text, possibly a signature or a date, located on the right side of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with a hole punch on the left side. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with a hole punch on the left side. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in Burmese script, consisting of approximately 10 lines. The script is cursive and fills most of the page.

Handwritten text in Burmese script, consisting of approximately 10 lines. The script is cursive and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes, suggesting it was once part of a bound volume or a document held together by cords. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes, suggesting it was once part of a bound volume or a document held together by cords. The script is dense and fills most of the page.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top section of the image. It appears to be a continuous passage of text, possibly a letter or a record, with some lines being more prominent than others. The script is dense and fills most of the upper half of the frame.

Handwritten text in Burmese script, continuing from the top section. This section also contains a continuous passage of text, written in the same cursive style. The text is spread across the lower half of the image, with some lines showing more variation in ink or style. The overall appearance is that of a single, long document or a collection of related entries.

Handwritten text in Burmese script, consisting of approximately 10 lines. The script is dense and cursive, typical of traditional Burmese handwriting. The text is written on a single line of a palm leaf manuscript.

Handwritten text in Burmese script, consisting of approximately 10 lines. The script is dense and cursive, typical of traditional Burmese handwriting. The text is written on a single line of a palm leaf manuscript.

[Faint Burmese script, likely bleed-through from the reverse side of the page.]

[illegible]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the top of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European handwriting. The text is written in a single line across the top of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the bottom of the page. The script is dense and difficult to decipher, but appears to be a form of early modern European handwriting. The text is written in a single line across the bottom of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some characters appearing to be in a different script or dialect. The paper is aged and shows signs of wear, including two circular holes.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some characters appearing to be in a different script or dialect. The paper is aged and shows signs of wear, including two circular holes.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the upper portion of the page. It appears to be a continuous narrative or record, possibly related to a royal decree or a historical event. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, continuing from the upper portion. This section contains several lines of text, some of which are more legible than others due to the cursive nature of the script. The text seems to be a continuation of the narrative or record found in the upper portion. The script is dense and fills most of the lower half of the page.

[Faint, illegible handwritten text in Arabic script]

Handwritten Burmese script on aged paper, likely a historical document or manuscript. The text is written in multiple columns across several lines.

Handwritten Burmese text on a palm leaf manuscript strip. The script is in a traditional style, with characters closely spaced. There are two circular holes visible, used for threading a cord to bind multiple leaves together. The text appears to be a continuous passage, possibly a religious or historical narrative.

Handwritten Burmese text on a second palm leaf manuscript strip. Similar to the first, it features traditional script and two circular holes for binding. The text continues the narrative or list from the previous strip, with clear demarcations at the holes.

121

[illegible]

[Faint handwritten Burmese script]

Handwritten text in Devanagari script, likely a manuscript or a page from a book. The text is written in a cursive style and is mostly illegible due to the image quality. There are two large black circular marks on the page, possibly indicating damage or binding holes.

12

Handwritten text in Devanagari script, likely a manuscript or document. The text is dense and covers most of the page.

1. *Handwritten text in a cursive script, likely a letter or document, with two large circular marks (possibly holes or stamps) visible.*

[illegible]

Handwritten Burmese text on a palm leaf manuscript strip. The script is in a traditional style, with characters closely spaced. There are two circular holes visible, used for binding multiple leaves together. The text appears to be a continuous passage, possibly a religious or historical narrative.

Handwritten Burmese text on a second palm leaf manuscript strip. The script is consistent with the first strip. In the bottom left corner, there is a small, distinct section of text that appears to be a signature or a specific title, possibly starting with 'သို့လကဗ္ဗပထိ' and '၆) ခုလဝိကာကဏ္ဍ'.

Handwritten text in a cursive script, likely a letter or document fragment. The text is written on a single line across the top of the page. The script is dense and flowing, with many loops and flourishes. The paper is aged and yellowed, with two dark circular holes visible, suggesting it was once part of a bound volume or a document with a binding.

Handwritten text in a cursive script, likely a letter or document fragment. The text is written on a single line across the bottom of the page. The script is dense and flowing, with many loops and flourishes. The paper is aged and yellowed, with two dark circular holes visible, suggesting it was once part of a bound volume or a document with a binding.

1904

ਸ੍ਰੀ ਗੁਰੂ ਗ੍ਰੰਥ ਸਾਹਿਬ ਜੀ
ਮੰਤਰ ਪੜ੍ਹਾਏ ਜਾਣਗੇ।

Handwritten Burmese text on a palm leaf manuscript strip. The script is in a traditional style, with characters closely spaced. The text is arranged in approximately 10 horizontal lines across the length of the strip. There are two circular holes visible, used for threading a cord to bind multiple leaves together.

Handwritten Burmese text on a second palm leaf manuscript strip. The script is consistent with the first strip. The text is arranged in approximately 10 horizontal lines. There are two circular holes visible, used for binding. On the right side, there is a distinct signature or seal in a larger, more stylized script, which appears to read "မြတ်ဗုဒ္ဓ" (My Buddha) and "သောက" (Soka).

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

ကမ္ဘာ့သစ်ပြည်သူများအတွက်

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some characters appearing to be in a different script or dialect. The ink is dark and the paper is aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some characters appearing to be in a different script or dialect. The ink is dark and the paper is aged and slightly discolored.

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top section of the image. It appears to be a continuous passage of text, possibly a letter or a record, with some lines being more prominent than others.

Handwritten text in Burmese script, continuing from the top section. This section contains several lines of text, some of which are underlined or written in a slightly different style, suggesting a list or a series of points. The text is dense and fills the bottom section of the image.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and difficult to decipher without specialized knowledge of the language.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and difficult to decipher without specialized knowledge of the language.

Handwritten text in Arabic script, likely a manuscript page. The text is written in a cursive style and is mostly illegible due to fading and the quality of the scan. There are two large, dark circular marks (possibly holes or damage) visible on the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the handwriting and the presence of some specific terms or dates that are difficult to decipher due to the cursive style.

Handwritten text in a cursive script, continuing from the top page. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the formal nature of the handwriting and the presence of some specific terms or dates that are difficult to decipher due to the cursive style.

... သာဓကိကသုတ္တံကိဝိဓမ္မေဝ။

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and spans across the top section of the page. It appears to be a continuous narrative or record, possibly related to a royal decree or a historical event. The script is dense and fills most of the upper half of the page.

Handwritten text in Burmese script, continuing from the top section. This section also contains dense, cursive writing, likely a continuation of the same narrative or a separate but related document. The text is written in a similar style to the top section, with some variations in the characters and spacing. The bottom section of the page shows some signs of wear and damage, particularly along the left edge.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the top of the page. The script is dense and difficult to decipher, but appears to be a form of historical shorthand or a specific dialect. The text is written in dark ink on a light-colored, aged paper. There are two large, dark circular marks on the page, possibly from binding or damage. The text is written in a cursive script, likely a historical document or letter. The text is written on a single line across the top of the page. The script is dense and difficult to decipher, but appears to be a form of historical shorthand or a specific dialect. The text is written in dark ink on a light-colored, aged paper. There are two large, dark circular marks on the page, possibly from binding or damage.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the bottom of the page. The script is dense and difficult to decipher, but appears to be a form of historical shorthand or a specific dialect. The text is written in dark ink on a light-colored, aged paper. There are two large, dark circular marks on the page, possibly from binding or damage. The text is written in a cursive script, likely a historical document or letter. The text is written on a single line across the bottom of the page. The script is dense and difficult to decipher, but appears to be a form of historical shorthand or a specific dialect. The text is written in dark ink on a light-colored, aged paper. There are two large, dark circular marks on the page, possibly from binding or damage.

Handwritten Burmese script on a palm leaf manuscript strip. The text is arranged in approximately 10 horizontal lines. The script is a traditional Burmese style, likely from the 18th or 19th century. The leaf shows signs of age, including discoloration and two circular holes for binding.

Handwritten Burmese script on a second palm leaf manuscript strip. This strip also contains approximately 10 lines of text in the same traditional script. It features two circular holes for binding, similar to the strip above. The text appears to be a continuation of the previous strip.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.
